Dear friends

A new season is here and our home feels bright and vibrant! Here is a little peek into our fun spring adventures!

Valentine's Day

Love was in the air this Valentine's Day when we gathered for week-long activities at Acorn Court. First off, our residents made Valentine's cards to send to their nearest and dearest, getting creative with glittering love heart designs. Then on the day itself, our team decked the halls, quite literally, with a giant love heart mural and heart-shaped balloons to make sure everything looked just perfect! Our treasured residents came together to share a glass of bubbly over a romantic meal, after which we all enjoyed wonderful music by Carol Baker and Paul Stanworth in a spectacular live concert!

Party time

Spring brought us many celebrations and residents have been having so much fun! For Chinese New Year we made a huge balloon dragon and everyone had fun making Chinese lanterns and eating fortune cookies. March 1st brought us all the delights of Pancake Day and St. David's Day combined, where we enjoyed scrumptious chocolate crepes whilst singing along to Tom Jones! Then when St. Patrick's Day rolled around, everyone dressed up in silly costumes to enjoy singing, dancing, cupcakes and Guinness! There have been so many smiles and lots of joy - just the way we like it!

Mother's Day

We had a marvellous time honouring the mums amongst us this Mothering Sunday. Our whole home gathered together, decked in our Sunday finest, to enjoy a sumptuous three course meal! The team had festooned the dining room with pink flowers, pretty bunting and balloons and gave our residents a glass of bubbly as they took their seats. They also arranged for a wonderful pianist to be tinkling away on the ivories as the first course arrived. It felt like we were dining at The Ritz and was the perfect end to a wonderful weekend which saw us take our ladies out for a lakeside walk and garden centre visit to enjoy the beautiful spring weather!

Easter fun

Our residents had a wonderful time welcoming Easter to Acorn Court. In the run-up to the big weekend we got creative making all manner of Easter crafts! On Easter Sunday itself some of us gathered for a private church service in the morning before our whole home came together for a sumptuous Easter lunch. Our residents were delighted when we had a special visit from the Easter Bunny who handed out yellow chick cupcakes and chocolate eggs for all to enjoy! And as part of the fun we created an Easter lucky dip which brought back so many happy childhood memories. We ended our fabulous weekend by playing lots of Easter themed games and sharing lots of laughter. We had a cracking time!

With love,
